## 2.6 Step 5: Responding to Registration Questionnaires

1. After SAP Ariba account creation and log in, the supplier will be linked to his registration questionnaire. Suppliers are required to fill in data and submit the questionnaire.
2. Complete the Supplier registration questionnaire and enter all the mandatory fields marked with an asterisk(\*). You may save it as a draft and complete the form within the time remaining.
3. You may also compose a message to SABIC in case you require any clarification.
4. Click on Submit Entire Response once you have completed the questionnaire

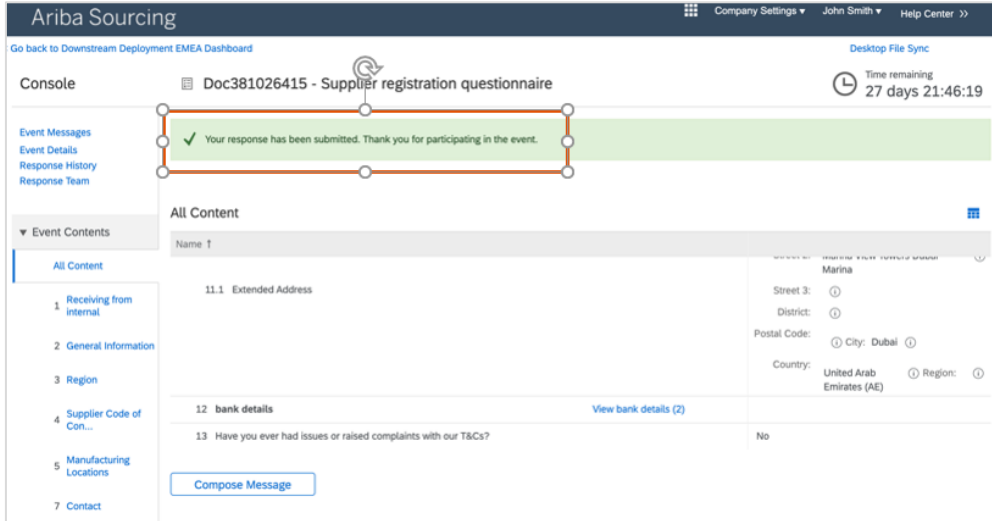

The screenshot shows a registration questionnaire form with several sections. A dropdown menu is open, showing options: 'Unspecified', 'Yes', 'No', and 'Unspecified'. At the bottom of the form, there are four buttons: 'Submit Entire Response' (highlighted with a red box), 'Save draft', 'Compose Message', and 'Excel Import'. A red asterisk indicates a required field.

5. Click on "submit" again to confirm the submission.

## 4.1 FAQ

**1. What are the benefits of using SAP Ariba?**

Ariba will enhance the supplier experience as it provides more solutions for the suppliers such as supplier performance visibility, raising and rating support requests and also the ability to manage your profile with better control on the documents and certificates provided. Moreover, it will streamline the current manual process of the contract creation.

**2. Will SAP Ariba platform will be used for SABIC and SHPP?**

SAP Ariba application is only for SABIC, However, SHPP will remain to use SLM to manage your company profile with SABIC

**3. SAP SLP stands for what?**

SAP Ariba SLP stand for "Supplier lifecycle and performance".

**4. Is SAP Ariba Secure?**

SABIC deal with a secured application, however, for any cybersecurity attack, supplier shall comply with T&C and to communicate with SABIC cybersecurity team not later than 24 hours.

**5. Do you have the deadline for SAP Ariba registration?**

Registration questionnaires shall be submitted within 90 days from the invite date.

**6. If I already have an account on Sap Ariba with another company, I need to register again.**

No, you can use the existing login credentials and answer the registration questionnaire requested by SABIC.

**7. How many users can be registered on SAP Ariba for each supplier?**

You can add multiple users for your Ariba network account. There is no known limit for number of users to be added to the account.

**8. How to contact SABIC for support?**

SABIC can be contacted through Suppliers feedback application in Ariba or call center at 920029111 (for international call: +966-133506881)

**9. If I have an issue with the Ariba username and password whom to contact?**
